## LEVEL 1

Level 1

Expansive windows and glass walls allow natural light to shine in on your event. Our flexible conference layout gives you the freedom to transform any of our function areas. Level one offers alternative venue options to allow your guests to enjoy delectable conference morning teas, exclusive sit down lunches and afternoon teas.

The Gallery room has large windows with natural light and a mezzanine area ideal for exhibitors or morning and afternoon tea breaks.

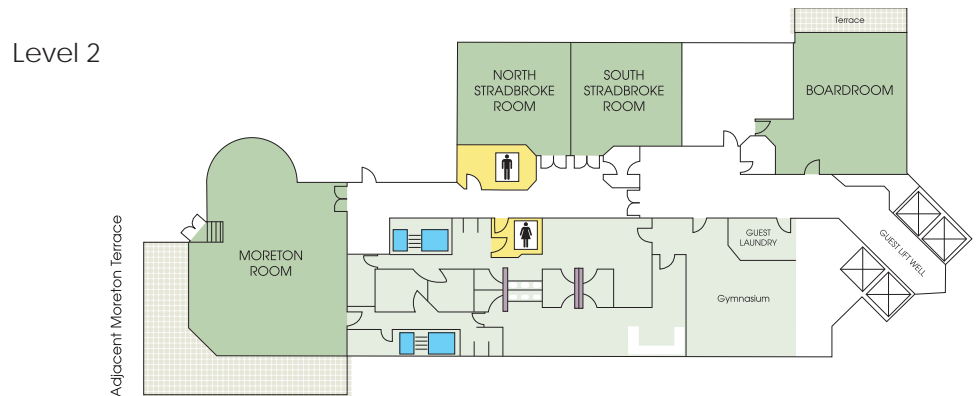

The Guest Lounge is also perfect for a spacious catering or breakout area for your delegates.

We understand your requirement to keep in touch with the office and QT Gold Coast provides the connection. Our fully equipped Business Centre has natural light, is accessible 24 hours a day, and designed to cater for your business needs, in a peaceful and professional environment.

### QT GOLD COAST CONFERENCE & MEETING ROOM CAPACITIES Level 1

## LEVEL 2 & 22

In addition to the larger function rooms, level two offers more intimate rooms which can be utilised for break out rooms or smaller groups. Each room has an abundance of natural light to keep your delegates fresh and focused.

The architecturally designed Moreton Room features stunning hinterland views, opening onto an expansive outdoor terrace perfect for cocktail parties or al fresco dinners, allowing your delegates to dine under the Gold Coast stars whilst taking in the sea breeze.

The Boardroom is an ideal location for small business meetings and provides your delegates privacy and discretion. Featuring a private kitchen and bathroom area, and a large outdoor patio with views of the ocean perfect for tea breaks and relaxed lunches. The North and South Stradbroke Rooms offer a modern and contemporary venue for smaller groups. The adjoining rooms can be used individually or in conjunction with each other and rooms offer natural light and ocean views.

The Private Club, located on the top floor of the hotel, combines elegant surrounds with stunning views of the Pacific Ocean making it ideal for small meetings, cocktail parties and private dinners.

FOOD AND  
BEVERAGE  
OUTLETS

QT Gold Coast is complimented by unique dining experiences.

**Bazaar** boasts an international culinary experience featuring open-view kitchens and a lively cosmopolitan atmosphere. The walk through design evokes a public market, with gourmet showcases and spectacular live cooking stations. The restaurant presents the unique culinary delights from around the globe.

**Stingray** is a stylish bar located just off the lobby of the hotel, embracing a unique by gone era of Surfers Paradise. A retro 60's inspired feel. The designers created a cool atmosphere with separate spaces within the bar and a comfortable sexy setting. Stingray is a cool high end sports bar by day and a hip cool people watching place to be by evening. The bar offers living room comfort in the lounge area and a late-night supping, complete with a playful in-door oasis where an eclectic mix of music is spun by guest DJ's.

In the heart of the lobby is **Fixx** - this café and deli offers a selection of specialty coffees, house made breads, Panini sandwiches, gourmet wraps, pastries and home made ice creams. From sun up to late night this stylish café will have energy and will bring a buzz to the already hippy lobby atmosphere.

**The Yamagen Restaurant** will allow you to immerse yourself in true Japanese culture, offering traditional Japanese cuisine, from fresh Sushi to sizzling Teppanyaki, prepared by our talented Chefs. The expertise, artistry and service ethic of these chefs have long been recognised as the key ingredients to the restaurants reputation on the Gold Coast; ensuring it remains a favourite with locals and visitors alike. Best Restaurant in a Hotel 2010 as awarded by Restaurant and Caterers Association Gold Coast.
